Total Marooned

DOB: 10th Dec 2005

Price: \$20,000

Steve's comment:

" He's a nice type of colt, intelligent and mature. He's typically the 'staying' type of horse and needs time, but will to develop into a lovely horse. He may even be better over 2400-3200 mtrs. Would be lovely to have a Cup contender"
